EMERGENCY HIGHWAY MAINTENANCE WORK

YUCAIPA – The Department of Transportation (Caltrans) will perform emergency slab repairs on Interstate 10 between Ford Street and just east of Yucaipa Blvd. tonight, Tuesday, December 19. Lanes 1, 2, and 3 will be closed overnight from 9 a.m. to 5 a.m. at this location to allow crews to repair the roadway and allow time for the concrete to set. Lanes will re-open at 5 a.m. Wednesday, December 20.

If traveling during these nighttime work hours, motorists are asked to allow extra time for their commutes. While work is underway, eastbound I-10 on - ramps will be open and traffic will be shifted over to the truck climbing lanes to provide motorists continued access.

Caltrans would like to thank motorists for their patience and support as highway maintenance crews work quickly to get this work complete before the holiday weekend.

Caltrans reminds motorists to always make a point to ***SLOW FOR THE CONE ZONE.***

For more roadwork information, please call our Public Affairs Office at (909) 383-4631 or check our website at www.caltrans8.info.
