State Route 60 to Eastbound I-10 Connector A Holiday Travel Update

Riverside County – No construction will take place next week on the Interstate 10 Pavement Rehabilitation Project in Beaumont because of the holidays. However, the ramps and lanes shown below will remain closed.

LOCATION	DATES (December 24 – January 4)	CLOSURE HOURS	LANE INFORMATION
Eastbound SR-60 off-ramp to downtown Beaumont (6 th Street)	Ramp will be open for the two holiday weekends: 11 a.m. December 24 to 7 a.m., Monday, December 28 & 11 a.m. Thursday, December 31 to 7 a.m. Monday, January 4		
	Closed until approximately June 2010	24 hours except as shown above	Full Ramp Closure
Eastbound SR-60 connector to eastbound I-10	Until further notice	24 hours	One lane only as ½ of the connector is rebuilt

Traffic can become congested on the connector from eastbound 60 to eastbound 10 because it is down to one lane. Caltrans recommends using alternate routes for travel east of Calimesa. Please see the area map below to plan your trip.

Please **SLOW FOR THE CONE ZONE** and stay safe this holiday season. For more information on this and other Caltrans projects, visit our Web site at www.caltrans8.info and click on "News and Document Center."
