CLOSURE CANCELED **ROUTE 395 PERMIT WORK**

San Bernardino County – The permit project for BNSF Railroad that required a full closure on Route 395 on Wednesday, January 3, has been canceled due to unfavorable temperatures for paving.

Once the weather is warmer, the railroad company will continue their project to rehabilitate the existing railroad crossing with new asphalt, replace ties and crossing panels, which will improve the transition of traffic.

For more information on state highway work, please go to our website at www.caltrans8.info or call us toll free at (866) 383-4631.

Caltrans is here to get you there!
