## DEVORE 2 – WEEKEND WORK UPDATE

**San Bernardino County** – Caltrans continues work on the Devore 2 pavement rehabilitation project on Interstate 15 at the 215 interchange, just below the Cajon Pass. The contractor has planned two more weekend closures for the month of January 2007.

The next closure has been schedule for the weekend of January 6 through 8 as follows:

☞ Closure G with a partial Closure F - will close the northbound 15 connector to the southbound 215. It will also reduce lanes from three to one for the northbound I-15 traffic from Glen Helen Parkway to Kenwood Avenue. The Glen Helen Parkway on-ramp will be closed during the work.

The weekend work will begin on Saturday morning, January 6, at 8:00 a.m. and continue through Monday, January 8, at 4:00 a.m. The work is expected to cause heavy delays to northbound I-15 travelers. Caltrans suggest that you take an alternate route or use I-10 east to I-215 north back to I-15 north.

Night work with reduced lanes will resume on January 2<sup>nd</sup> at 6:00 p.m. The nighttime work hours are Monday through Sunday on southbound I-15 from 6 pm to 4 am and on northbound I-15 from 10 pm to 8 am for the remainder of the project.

The project is expected to be complete in early 2007. Inclement weather affect the construction schedule.
