

The responses to bidders' inquiries are provided for the bidders' convenience only. In some instances, the question and answer may represent a summary of the matters discussed rather than a word-for-word recitation. The responses may be considered along with all other information furnished to prospective bidders for the purpose of bidding on the project. The availability or use of information provided in the responses to contractors' inquiries is not to be construed in any way as a waiver of the provisions of Section 2-1.03 of the Standard Specifications or any other provision of the contract, the plans, Standard Specifications or Special Provisions, nor to excuse the contractor from full compliance with those contract requirements. Bidders are cautioned that subsequent responses or contract addenda may affect or vary a response previously given. Inquiries along with responses may be posted at the website only when the inquiries are submitted in any of the acceptable manner prescribed under the Notice to the Contractors and when the responses have already been communicated to the individual inquirers. Bidders' inquiries received over the phone must be followed-up and submitted in writing for an official response.

The Bidders' inquiries and Responses may be updated from time to time and bidders are enjoined to check the website regularly and immediately prior to the scheduled bid opening.

Caltrans District 8 Office is located at 464 W. Fourth Street, San Bernardino, CA 92401-1400.

Inquiry No.	Inquiry/Response
1.0	<p>Question_1.0: For item #30 the item description reads "FURNISH SINGLE SHEET ALUMINUM SIGN (2.0 MM-FRAMED). It is my experience that these sign panels should be "UNFRAMED". If the sign panels need to be "FRAMED", details for this need to be included for they do not exist for sign panels of these sizes. Also, there is no information on the types of 'sheeting' required for the sign panels. What is to be used?</p> <p>Response: Bid it as you see it (framed).</p>
1.1	<p>Question_1.1: Item #31 is METAL (BARRIER MOUNTED SIGN). Where is the detail for what type of barrier post is required? Also, this is usually bid in KILOGRAMS or POUNDS. Why the change?</p> <p>Response: Bid it as you see it (EA).</p>
2.0	<p>Question_2.0: The quantity for Item # 26 "Roadway Excavation" is 1890 M3. On page 32 of the plan in the quantity listings the quantity listed for Roadway Excavation is 2890 M3. Can you please verify which quantity is correct?</p> <p>Response: The quantity listed under the Engineer's Estimate (Item # 26 on page 5 of the SSP) is correct.</p>
