

The responses to bidders' inquiries are provided for the bidders' convenience only. In some instances, the question and answer may represent a summary of the matters discussed rather than a word-for-word recitation. The responses may be considered along with all other information furnished to prospective bidders for the purpose of bidding on the project. The availability or use of information provided in the responses to contractors' inquiries is not to be construed in any way as a waiver of the provisions of Section 2-1.03 of the Standard Specifications or any other provision of the contract, the plans, Standard Specifications or Special Provisions, nor to excuse the contractor from full compliance with those contract requirements. Bidders are cautioned that subsequent responses or contract addenda may affect or vary a response previously given. Inquiries along with responses may be posted at the website only when the inquiries are submitted in any of the acceptable manner prescribed under the Notice to the Contractors and when the responses have already been communicated to the individual inquirers. Bidders' inquiries received over the phone must be followed-up and submitted in writing for an official response.

The Bidders' inquiries and Responses may be updated from time to time and bidders are enjoined to check the website regularly and immediately prior to the scheduled bid opening.

Inquiry No.	Inquiry/ <b>Response</b>
1.0	<p>Under "Measurement and Payment" this item (No. 18) will be calculated using length, width and thickness. This item is listed as a Final pay item; is it Final pay or field measured?</p> <p>Interpretation_1: I believe that this item is field measured; the Final pay status needs to be removed.</p> <p><b>Response: Please bid per plans.</b></p>
1.1	<p>Same as Question 1.0, but for item 27 Structural Concrete, Approach Slab (Type R). Is this item Final pay or field measured?</p> <p>Interpretation_2: I believe that this item is field measured; the Final pay status needs to be removed.</p> <p><b>Response: Please bid per plans.</b></p>
2.0	<p>Plan Quantities call for random crack sealing in the asphalt shoulders &amp; ramps. The Plan Quantities also call for replacing the asphalt shoulders &amp; ramps with new asphalt. Please clarify where the crack sealing would be required.</p> <p>Interpretation_1: It appears that no crack sealing is needed for this contract due to all new asphalt. It may have been put in the quantities prior to all of the asphalt work being included into the Contract.</p> <p><b>Response: Please bid per plans.</b></p>
