

The responses to bidders' inquiries are provided for the bidders' convenience only. In some instances, the question and answer may represent a summary of the matters discussed rather than a word-for-word recitation. The responses may be considered along with all other information furnished to prospective bidders for the purpose of bidding on the project. The availability or use of information provided in the responses to contractors' inquiries is not to be construed in any way as a waiver of the provisions of Section 2-1.03 of the Standard Specifications or any other provision of the contract, the plans, Standard Specifications or Special Provisions, nor to excuse the contractor from full compliance with those contract requirements. Bidders are cautioned that subsequent responses or contract addenda may affect or vary a response previously given. Inquiries along with responses may be posted at the website only when the inquiries are submitted in any of the acceptable manner prescribed under the Notice to the Contractors and when the responses have already been communicated to the individual inquirers. Bidders' inquiries received over the phone must be followed-up and submitted in writing for an official response.

The Bidders' inquiries and Responses may be updated from time to time and bidders are enjoined to check the website regularly and immediately prior to the scheduled bid opening.

Caltrans District 8 Office is located at 464 W. Fourth Street, San Bernardino, CA 92401-1400.

Inquiry No.	Inquiry/Response
1.0	<p>Question_1.0 - Due to the holidays and the number of projects bidding on January 4th, 2007 and January 11th, 2007, we request that you reschedule the bid dates so that we have the opportunity to bid each of the upcoming projects.</p> <p>Response: No postponement is planned.</p>
2.0	<p>Question_2.0: What are the existing abutment and bent footing elevations?</p> <p>Interpretation_1: The existing abutment footing is just below the new bent 2 location.</p> <p>Response: The elevations of existing abutment and bent footing can be found on as-builts plans.</p>
2.1	<p>Question_2.1: Can we order As-Builts for the existing #56-0633 bridge?</p> <p>Response: The as-built plans can be purchased at Map File/Record Center located on 6<sup>th</sup> floor, 464 West Fourth Street, San Bernardino, CA 92401-1400. Please call Gloria Flores at (909)383-4828 in advance for appointments.</p>
3.0	<p>Question_3.0: The engineer's estimate does not have a bid item for the fractured rib texture located at the structural concrete retaining walls.</p> <p>Interpretation_1: It is assumed that the cost will be in the structural concrete retaining wall bid item.</p> <p>Response: Pending</p>
4.0	<p>Question 4.0_: Are the cross sections for Green River available?</p> <p>Response: The information is shown in the red book under header "Project Information" page 126 and 127</p>
