State Route 91 HOV Lane Ground Breaking

WHO: Ken Calvert, United States Congressman
Joe Tavaglione, Chairman, California Transportation Commission
Malcolm Dougherty, Director, California Department of Transportation
John Benoit, Chairman, Riverside County Transportation Commission
Ray Wolfe, PhD; District Director, California Department of Transportation

WHAT: Ground Breaking Ceremony for the construction of the
\$232 million State Route 91 High Occupancy Vehicle Lane Project

WHEN: Friday, March 9, 2012
11:30 a.m.

WHERE: 4066 Vine Street, Riverside, CA across from the Metrolink parking lot

Please call (866) 383-4631 if you plan to attend.

Please join Caltrans and Riverside County Transportation Commission as they acknowledge the beginning of this project to complete the HOV lane and improve the State Route 91 through Riverside.

Photo Opportunity: The VIPs will break ground with the ceremonial shovels signifying the beginning of construction on this Corridor Mobility Improvement Account (Proposition 1b) and Riverside County Measure A project.
