LONG TERM ASSIGNMENT (LTA) INFORMATION AND CERTIFICATION OF SUBSISTENCE RATES
FA-1350 (REV. 7/2010)

DEFINITION:
A long-term assignment (LTA) is defined as any assignment of 31 days or more to a given location other than headquarters. Thirty (30) consecutive days are interpreted as traveling to one location for a period of 30 consecutive calendar days (not paid per diem days) regardless if the employee returns to their home on any weekend or regularly scheduled day off. While they may not be compensated, trips to the employee's primary residence or headquarters on the employee's regularly scheduled day(s) off, travel assignments, personal trips or promotions do not interrupt the continuity of the LTA. The LTA terminates when the employee is assigned to another geographical area and is required to terminate their long-term accommodations.

Employees should review the Caltrans Travel Guide at http://www.dot.ca.gov/hq/asc/travel/lta.htm for rates and policies for long-term assignments.

Instructions:
Employees must complete this form and submit it to their supervisor for approval. A revised form must be submitted whenever a change occurs (i.e., length of assignment). If the location changes, a new form must be submitted. A copy of the form must be submitted to the Travel Policy Section, MS #25 or faxed to (916) 227-8662/8-498-8662 before any LTA expenses can be reimbursed.

When an employee's primary residence will not be occupied by his/her dependents, documentation must be attached verifying out-of-pocket net expenses exceeding $200 per month. Documentation should include a copy of your rental agreement or mortgage statement (payment coupons are acceptable) and evidence of payment (copy of most recent canceled check, or copy of the check and bank statement showing the check was cashed or automatic payment statement.)

Changes to the assignment
When changes are made to the FA 1350, it is the employee's responsibility to submit an approved revision to the Travel Policy Section.

A new form is required when the assignment is changed to another geographical location. A geographical location is defined as an area within a 50-mile radius.

To ensure proper reporting of expenses, a copy of the FA 1350 must be attached to each travel expense claim submitted for reimbursement. In addition, the Purpose of Trip should indicate the employee is on a long-term assignment.

Taxability:
Long-term assignments exceeding one year (365 days) and personal expense differentials are considered taxable income to the employee. See the Caltrans Travel Guide, Taxable Employee Fringe Benefits at: http://www.dot.ca.gov/hq/asc/travel/taxinfo.htm for current tax rates.

NOTICE
Information requested is mandatory. This information is used to determine the proper subsistence rate as provided under Department of Personnel Administration (DPA) regulations. Failure to provide all or any part of such information will result in nonpayment. The principal purpose of the requested information is to ensure that the proper subsistence rate is applied.
