TWO NIGHTS OF CLOSURES ON WESTBOUND 91

RIVERSIDE – The California Department of Transportation (Caltrans) will close the westbound 91 Freeway (all lanes) on Thursday, January 18, 2007 from 9PM to 5AM and Friday, January 19 from 11PM to 7AM.

During the closure crews will be working on completing a drainage pipe across the 91 Freeway between Spruce Street and the Mulberry onramp. For obvious safety reasons, for both the motorists and the crews working in the area, a full closure is necessary. The following detour is provided for those traveling in the area.

WB 91: Motorists will be detoured to the westbound 60, exit at Market Street, continue south on Market to University, back to the westbound 91.

Caltrans would like to thank motorists for their continued patience and support during the 60/91/215 improvement project. Caltrans asks that motorists please be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE.***
