20th Annual TRANNY Awards Winners and Finalists

Today the California Transportation Foundation announced the TRANNY Award winners for Project of the Year, Person of the Year, Elected Official of the Year and Organization of the Year for transportation excellence in 2008. CTF also announced the top three finalists for eleven other awards, the winners of which will be announced at the Awards ceremony and luncheon on June 3, 2009. The CTF TRANNY Awards recognize excellence in California transportation, all modes, public and private sector and from all regions of the state.

“The TRANNY Awards jury, made up of public and private sector transportation professionals, reviewed many excellent nominations this year,” said Linda Bohlinger, CTF Chair. “Our selections represent the best of the projects, programs and people who made a positive difference for California transportation in 2008,” she continued.

CTF congratulates the TRANNY Award winners:

The California Transportation Foundation is a non profit organization founded twenty-one years ago to support California's transportation community. Our mission – Remember, Recognize, Educate – is accomplished with workers assistance and memorial grants, scholarships for transportation students, the TRANNY Awards, transportation policy conferences and much more.

The 20th Annual TRANNY Awards are made possible in large part by our sponsors, including our platinum sponsor, Parsons. Please see our website for more information and to download registration form. www.transportationfoundation.org.
