SOUTHBOUND I-215/EASTBOUND 60 OFF-RAMP CLOSURE AT BOX SPRINGS

Riverside - The California Department of Transportation (Caltrans) will conduct an approximate seven (7) day closure of the Box Springs off-ramp on southbound I-215/eastbound 60. The closure will be October 2nd and is estimated to continue through October 8th. This work will allow for the construction of a temporary "hook" off-ramp just north of the existing Box Springs off-ramp.

Once the hook ramp is completed the existing Box Springs off-ramp will be closed. The hook ramp will remain open throughout the duration of construction occurring on the Box Springs overcrossing. Motorists will use the hook ramp to gain access to the Sycamore Canyon communities and businesses.

Caltrans thank motorists for their continued patience and support and asks that motorists please be aware of the construction area and always make a point to **SLOW FOR THE CONE ZONE.**
