## PUBLIC MEETING for the INTERSTATE 10/JEFFERSON STREET INTERCHANGE IMPROVEMENT PROJECT

**Indio** – The City of Indio and Caltrans have scheduled a public meeting for the environmental phase of the proposed project. The proposed project will reconstruct and realign the interchange at Jefferson Street and Interstate 10. Varner Road will be widened and realigned to accommodate the interchange improvements. Three build alternatives are being considered, as well as the No-Build Alternative, which would not improve the interchange.

The open-house style meeting will be held at the following time and location. You may attend anytime during the open house.

DATE	LOCATION	TIME
Thursday October 16, 2008	John Glenn Middle School 79-655 Miles Avenue Indio, CA 92201	5:00 p.m. to 7:00 p.m.

Representatives from the City of Indio and Caltrans will be available at the meeting to present displays and information on the project and answer your questions. The public will have the opportunity to give written comments on the project and the Initial Study/Environmental Assessment prepared for the project. All comments must be received or postmarked by October 30, 2008.

Under the Americans with Disabilities Act of 1990, Caltrans will provide reasonable accommodations, such as an American Sign Interpreter, accessible seating, and documentation in alternate formats to individuals with disabilities. If you need these services, please contact Adrienne Dunfee at (760) 541-4251 by Monday, October 13. TDD users may contact the California Relay Service TDD at 711 and ask to be connected to 760-541-4251.
