Small Business Program

Small Business is Big Business at Caltrans
The Caltrans District 8 Small Business office is committed to assisting Small Business (SB), Disadvantaged Business Enterprise (DBE) and Disabled Veteran Business Enterprise (DVBE) firms gain access to Federal and State contracting and procurement.

Disadvantaged Business Enterprise (DBE)
Caltrans District 8 is committed to an overall DBE goal of 12.5 percent on its federal-funded projects based upon a race-neutral and race-conscious methodology. A DBE certification is based on: Social and Economic Disadvantage, Business Size Standards, Personal Net Worth, Ownership and Control. To learn more about the DBE program and how to become certified, please find information here. Nearly all Caltrans federally-funded projects will have a DBE utilization goal and so it is beneficial for qualified firms to become certified. Only DBE certified firm can qualify for this program and be counted in the 12.5 percent goal.

Small Business (SB), Disabled Veterans Business Enterprise (DVBE)
Caltrans District 8 is committed to increasing the economic opportunity and development of SB DVBEs within State contracting. Caltrans has pledged to meet or exceed a 25% SB and 5% DVBE participation goal on State funded contracts and procurement opportunities. To learn more about the SB/DVBE program and how to become certified, please find information here.

In order to help meet these goals, Caltrans District 8 hosts a number of educational and outreach events within San Bernardino and Riverside Counties.
