State Route 74 Raised Curb Median Safety Project (Menifee) Construction Activities for Week of November 18, 2019

SAN BERNARDINO – The California Department of Transportation (Caltrans) will continue work on a \$20 million safety project to construct a raised curb median with access points and left turn lanes on State Route 74 (SR-74) at various locations from Acacia Avenue to Interstate 215 next week.

The contractor, Granite Construction Company, will excavate and perform roadway compaction at several locations. The right shoulder and #2 lane will be closed eastbound from McKinley Road to Sultanas Road, westbound from Four Seasons Boulevard to Amanda Avenue and westbound from Menifee Road to Palomar Road. The work hours will be 6:00 a.m. to 5:00 p.m. The project is estimated to be complete in February 2021.
